

The Coffee County Highway Commission met on January 7, 2026 3pm at the Administrative Plaza meeting room with all members present except Mrs.Duke.

Guest attending the meeting were: Benton Bartlett, Highway Superintendent and Joseph Dobson, Asst. Highway Superintendent.

A motion was made to accept the agenda as read by Mr. Bush and seconded by Mr. Markum. All were in favor.

A motion was made to accept the previous month's minutes as read by Mr. Markum and seconded by Mr. Bush. All were in favor.

There wasn't any unfinished business.

Mr. Bartlett reported the mechanics are busy doing annual maintenance on various pieces of equipment. Some operators are working on shoulders of the road while others are busy patching pot holes. We are also trying out some new mix on hot mix roads. He also reported the upcoming 2026 paving list is being reviewed and making a plan for the upcoming season. Currently, oil prices are staying reasonable. We also received news that a new SS4A grant was funded and he is going to a workshop later in the month. This grant will be used to scan and maintain road maintenance data.

Mr. Dobson reported some guys are busy with tree cleanup from the Christmas storm on December 18, 2025. We also have several new driveway tiles being installed to go along with roads that always need ditching at various places. If fast response is needed, please have citizens call 728-9555.

Mr. Bush reported David Jacobs Rd needs resurfaced.

Mr. Markum reported a pot hole at end of Goosepond Rd.

Mr. Weaver reported trucks are causing problems on Asbury and Old Airport Roads going in and out of the factories in the new Industrial Park. Mr. Weaver was also inquiring if we could install "no truck" signs for Asbury and associated roads due to GPS misleading them down narrow country roads. Mr. Bartlett responded with probably not. He also reported the car counter was installed today on Asbury Rd. and checking speed limits.

The next meeting date will be February 4th, 2026, 3:00 at the Administrative Plaza, Conference Rm 1.

A motion was made to adjourn by Mr. Bush and seconded by Mr. Markum. Meeting adjourned.
