

Coffee County TN. Ad Hoc RE: BZA

January 25, 2024 4:00 PM

Members present: County Commissioners Laura Nettles, Joseph Hodge, Dennis Hunt.

Organizational meeting commenced @ 4:00 PM.

First order of business was to appoint Chairman and Secretary. Laura Nettles was appointed to the Chair and Dennis Hunt was appointed as Secretary.

Agenda was established and approved.

No public comment.

It was agreed upon that this Ad Hoc Committee was established to make recommendations to the Legislative Body that will reconcile the considerable discrepancies regarding Coffee County's Board of Zoning Appeals term expiration dates of its members. Records indicate that 3 members of the BZA had terms expiring as of January 2024. This would be in direct conflict with the requirements of both Tennessee Code Annotated and Coffee County's own zoning resolution.

Motion was made by Dennis Hunt to obtain copies of the Legislative Body's minutes for every January from the last 15 years. Motion was seconded by Joseph Hodge. Motion approved unanimously.

Secretary Hunt will convey this request for records to the Clerk of Coffee County. The Clerk will provide these records to the Chairman of this committee to be presented to the members at the next meeting.

Meeting adjourned.
