Motion made by Laura Nettles second by Missy Deford to approve the agenda for the meeting. Motion passed 3-0.

**Miscellaneous:**

School System Dumpsters:

Dennis Hunt explained the issue of placing dumpsters at each school instead of compactors. He discussed the meeting that was held with the members of the school system on that topic. The members of the Sanitation Board agreed any expenses to fix the compactors that the schools already own which are located at Deerfield Elementary and Middle School should be paid for by the schools budget. Dennis Hunt suggested we postpone the discussion until our next meeting. He asked Melissa to bring back to the next meeting the total tonnage for each school and the amount Solid Waste has paid for disposal for the schools for the fiscal year.

Tim Brown:

Commissioner Tim Brown attended the meeting to ask the members of the Sanitation Board to consider giving the employees of Solid Waste a 20% salary increase instead of the 10% that the board had already approved for the new budget year. He voiced concerns that he does not feel like the employees of this department make enough money especially the convenience center employees. Dennis Hunt thanked Mr. Brown for expressing his concerns but the board members felt like they had already approved the correct amount for the new budget year.

Laura Nettles made the motion to adjourn the meeting.

Missy Deford second the motion to adjourn the meeting.

Respectfully submitted,  
Melissa Burton, Recording Secretary
