

Legislative Committee
1 May 2023 - 5:30 p.m.
CCAP Lobby

Members present

Commissioners Claude Morse, Lynn Seborn and RoseAnne Smith

Members Absent

Commissioners Frank Watkins and Joe Mike Hodge

No one else attended

Meeting called to order by Chairman Morse at 5:35 p.m.

Agenda was approved unanimously.

Minutes from prior meeting were approved unanimously.

The draft hiring policy was reviewed. It was noted that the minutes of the Policies and Procedures Committee meeting from April 17th state : “The only application that would be acceptable other than the Coffee County Application would be the Sheriff Department due to asking more extensive questions. The Sheriff Department applications can still be submitted at the Sheriff’s Office and a copy will be sent to Personnel & Benefits during the hiring process.”

The Sheriff Department exception that “applications can still be submitted at the Sheriff’s Office” noted in the Policies and Procedures Committee meeting from April 17th minutes is not reflected in the DRAFT Policy.

NOTE: The only (standard County) application with the exception of the Sheriff's department noted in the Policies and Procedures Committee meeting from April 17th minutes does not seem to be referenced in the policy.

After discussion the committee voted unanimously to recommend the policy be forwarded to the full commission for approval contingent on review by the County Attorney.

Under other items, the committee members present discussed other possible types of issues/resolutions that may need Legislative review before being brought to the full commission for a vote.

The meeting adjourned at approximately 6:30 p.m.

Claude Morse
Chairman
