Other Business

Frank Watkins explained that a plumbing issue was found in a drain in the kitchen of the Jail. Pro Plumbing came and ran a camera through the drain to determine the blockage. A break in the drainpipe is a possibility. Rick will be at the jail tomorrow morning to talk with Pro Plumbing.

Rick's report.

Rick will be looking at getting a survey for parking at the Tullahoma Health Department to see about the additional parking. The new morgue was installed in the old jail annex. The old morgue is looking to be relocated at the EMS Tullahoma North station.

Frank Watkins made a motion to adjourn the meeting. Tina Reed seconded.
