1. As a reasonable measure to protect the safety and welfare of Tennesseans while ensuring that government business may continue in a manner that is open and accessible to the public, the provisions of Tennessee Code Annotated, Title 8, Chapter 44, Part 1, are hereby suspended to the extent necessary to allow a governing body, as defined in Tennessee Code Annotated, Section 8-44-102, to meet and conduct its

essential business by electronic means as provided for herein, rather than being required to gather a quorum of members physically present at the same location, if the governing body determines that meeting electronically is necessary to protect the health, safety, and welfare of Tennesseans in light of the COVID-19 outbreak, subject to the following conditions:

- a. All meetings of a governing body conducted by electronic means under this Order shall remain open and accessible to the public by providing real-time, live audio or video access to the public; provided, that in the case of contested case hearings under title 4, chapter 5, part 3, this requirement may be satisfied through compliance with Tennessee Code Annotated, Section 4-5-312(d); and
- b. A clear audio or video recording of the meeting shall be made available to the public as soon as practicable following the meeting, and in no event more than two (2) business days after the meeting; and
- c. In the public notice required by Tennessee Code Annotated, Section 8-44-103, governing bodies shall provide information regarding how the public can obtain real-time, live access to or broadcast of the meeting, and governing bodies are strongly urged to provide an agenda for the meeting in such notice; and
- d. Members of governing bodies, staff, and others participating in an electronic meeting by audio means only shall identify themselves in a manner reasonably calculated to permit the public to ascertain the identity of the person speaking; and
- e. This Order does not in any way limit quorum, meeting notice, or voting requirements under current law; and
- f. This Order does not limit, preempt, or repeal any local requirement permitting public comment during meetings, except that compliance with such requirements may be accomplished by allowing timely and appropriately submitted written public comments to be read into the record by a member or staff of the governing body during the meeting of the governing body; and
- g. The provisions of Tennessee Code Annotated, Section 8-44-108(c), apply to all state and local governing bodies; and

3. Given the findings underlying, and general applicability of, this Order, Tennessee Code Annotated, Section 8-44-108(b)(3), which requires each governing body to provide findings to the Secretary of State concerning the need for a meeting where a quorum is not physically present, is hereby suspended.
4. Nothing in Paragraph A.1 prohibits some members of a governing body from participating in a meeting of the governing body in the same physical location while another member or members participate in the meeting electronically, so long as the governing body complies with all of the conditions and requirements of Paragraph A.1 with respect to that meeting.
